throughout with great restraint while discharging their duties in maintaining law and order and protecting life and property. Further developments are being carefully watched.

Sri P. B. NANDIHALLI.—I have received a number of telegrams from Hubli-Dharwar and I have also seen in the newspapers that the life of the marathi people is in great danger. I suspect that this students' agitation in the name of the border issue, is being supported by the Government themselves, as it could be seen from the press reports. I want to know from the Hon. Minister what protection they have given to the Marathi people in Dharwar and Hubli?

Sri K. PUTTASWAMY.—I am sorry the hon. Member is having an incurable disease. Government is affording all protections to every citizen irrespective of the languages spoken. The anxiety of the police is only to see that students are not indulged in causing damages to the public property etc.

ಶ್ರೀ ಬಿ. ಪಿ. ಗಂಗಾಧರ್.—ಹುಬ್ಬಳ್ಳಿ ರಾಜಧಾನಿಗಳಲ್ಲಿ ವಿದ್ಯಾರ್ಥಿಗಳು ಕನ್ನಡ ರಾಜ್ಯವನ್ನು ಛೇದಿಸಲು ಪ್ರದರ್ಶನ ಮಾಡಿದಾಗ ಪೊಲೀಸರು ಲಾಠಿಚಾರ್ಜ್ ಮಾಡಿ ಕೆಲವರಿಗೆ ಗಾಯಗಳಾಗಿ ಕೆಲವರನ್ನು ಆಸ್ಪತ್ರೆಗೆ ಸೇರಿಸಲಾಗಿದೆ ಎಂಬ ವದಂತಿ ಇದೆ. ಅದರಿಂದ ನೂತ್ನ ಕ್ರಮ ತೆಗೆದುಕೊಂಡು ಪೊಲೀಸರು ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಒಳ್ಳೆಯ ರೀತಿಯಿಂದ ನಡೆದುಕೊಳ್ಳುವಂತೆ ವ್ಯವಸ್ಥೆ ಮಾಡುವರಾ?

Sri K. PUTTASWAMY.—I have already stated that police had to resort to mild lathi charge on one occasion and as a result of that some persons might have received minor injuries. According to my information no person has been hospitalised.

Business of the House

Mr. SPEAKER.—Before I call upon hon. Member Sri Channabasappa to speak, I would like to bring to the notice of the Hon. Members that in order to finish this debate today we may have to extend the time of the sittings of the House at the end today. The hon. Members may also have to stick to the allotted time. Congress (R) party has been allotted one hour thirty minutes. Hon. Member Sri Channabasappa has been recommended by his party for giving him 30 minutes time.

Sri B. L. NARAYANASWAMY.—Sir, yesterday I was to have spoken. But according to the situation then prevailing in the House, I did not speak. I should have been given the first opportunity to speak to-day.

Sri K. PUTTASWAMY.—Sir, yesterday when the Deputy Speaker was in the Chair Hon. Member Sri Narayanaswamy was called upon to speak. But the situation was such that the House felt that we could rather adjourn the House and continue the discussion today and the House accordingly was adjourned.

SRI H. SIDDAVEERAPPA.—Yesterday after generating so much of heat the House was extended by two hours when some members said they will sit for long. Our party said that we are not prepared to sit after 6 P.M. and we retired at 6 P.M. My submission so far as my party is concerned is that we want two hours and we have requested you this morning also and atleast 50 per cent of the members have to be accomodated and given opportunity to speak to-day.

3-30 P.M.

MR. SPEAKER.—Time was not extended yesterday for any single party. After taking into consideration the time available now, I have allotted it to the speakers today. I am able to allot $1\frac{1}{2}$ hours to Congress (R) party and one hour to the S. V. D. party. Besides I have to accommodate one or two independents. I am sorry that when Mr. Narayanaswamy was called upon to speak yesterday he could not speak.. I shall call upon him after Mr. Channabasappa concludes.

SRI B. B. SAYANAK.—Whether you are going to allow me to speak or not, I want to know.

[MR. DEPUTY SPEAKER in the Chair]

MR. DEPUTY SPEAKER.—I cannot allow the hon. Member to speak because his name is not in the list.

SRI B. B. SAYANAK.—If you do not allow me to speak. I will not sit. Can you give me an assurance that I will be allowed to speak ?

MR. DEPUTY SPEAKER.—I cannot give any assurance like that. I will consider, if a request comes to me in writing.

SRI B. B. SAYANAK.—I have already given it yesterday.

MR. DEPUTY SPEAKER.— All right, I will look into it and give a chance.

† **SRI H. M. CHANNABASAPPA** (Pariyapatna).—Mr. Speaker Sir, a very delicate issue is before us for consideration. The nature of the issue is such that we have to handle it with very great care and caution
